APRIL 9th

In the early morning of April 9th 1940 the Danish army is alerted. The Germans have crossed the border; Denmark is at war against the strongest army in Europe. In Southern Jutland Danish bicycle and motorcycle companies are summoned in order to hold back the German forces, until the Danish reinforcements can be mobilized. During these crucial hours we follow Second Lieutenant Sand and his bicycle company. They will, as the first Danish soldiers, meet the enemy in combat on April 9th, 1940.

LONG STORY SHORT

第十五届上海国际电影节
15TH SHANGHAI INTERNATIONAL FILM FESTIVAL

Long Story Short is the story of Ellen and her friends, all in their late thirties/early forties, and their more or less self-inflicted complications of love and longing for romantic redemption. The story is a summary of three years of love-related highs and lows for the group of friends told through eight chapters, each of them set at a party: a New Year's Eve, a housewarming, a Midsummer's Eve, a wedding, a surprise party, a naming ceremony, an anniversary and a milestone birthday. It is an ensemble story about a group of people who struggle with the conception of the perfect relationship and are bound to re-evaluate their take on what true love is.

SPEED WALKING

In 2009 Niels Arden Oplev blew most of the international audience away with the box office hit THE GIRL WITH THE DRAGON TATTOO (2009), based on the bestselling book by Stieg Larsson. After working on features and TV-series in the US (UNFORGETTABLE, 2011; DEAD MAN DOWN, 2013; UNDER THE DOME, 2013), Oplev returns to his home country with SPEED WALKING. In a quirky, small town, situated in the outskirts of everything, 14-year-old Martin is getting ready for one of the most formal transitions from boy to man; the communion. It's 1976, music is in the air and hormones are blossoming. But in the midst of it all Martin's mother suddenly passes away and her tragic death triggers a series of events that not only changes Martin's life forever, but also affects everyone else in the local community. An intense, humorous and evocative story about how life and death demands a transition in us all.

DANNY'S DOOMSDAY

YOU DON'T STAND
A CHANCE ON YOUR OWN

Due to climate change a new race of flesh eating predators arise, who invade and eat everything living on earth. In a residential neighbourhood in a Danish suburb nightmare like scenes are being experienced first hand through the eyes of two teenage brothers, who can't stand each other, but are now suddenly forced to barricade themselves in the basement together, to avoid getting eaten.

THE SHAMER'S DAUGHTER

Based on the bestseller by author Lene Kaaberbøl, adapted for the screen by Academy Award®-winning Anders Thomas Jensen (IN A BETTER WORLD, 2010) and directed by Kenneth Kainz (PURE HEARTS, 2006) comes this thrilling Scandinavian fantasy/adventure film. Starring Maria Bonnevie (A SECOND CHANCE, 2015); Søren Malling (A HIJACKING, 2012; BORGES, 2010-2013); Jakob Oftebro (KON-TIKI, 2012; IN ORDER OF DISAPPEARANCE, 2014) and Peter Plaugborg (THE KEEPER OF LOST CAUSES, 2013), THE SHAMER'S DAUGHTER presents a strong tale of greed and betrayal set in a fantastical world of dragons and supernatural powers.

The Shamer's daughter, Dina, has unwillingly inherited her mother's supernatural ability. She can look straight into the soul of other people, making them feel ashamed of themselves. When the sole heir to the throne is wrongfully accused of the horrible murders of his family, Dina's mother is lured to Dunark under false pretenses to make him confess. Refusing to use her ability for the wrong purposes, she is taken prisoner. It is now up to Dina to uncover the truth of the murders, but she soon finds herself whirled into a dangerous power struggle with her own life at risk.

MINI and the MOZZIES

Rapportale 65th Internationale Filmfestspiele Berlin Generation

Selected for this year's Berlin International Film Festival in the Generation KPlus section, MINI AND THE MOZZIES is directed by Jannik Hastrup and Flemming Quist Møller, the team behind some of the most treasured films in Scandinavian animation history. Together they directed BENNY'S BATHTUB (1971) and A TALE OF TWO MOZZIES (2007), the latter also screened in the Generation KPlus section at Berlin International Film Festival in 2008.

The minibeetle Mini appears in a flea circus with Egon and Dagmar. The flea-girl Miranda bullies Mini and tricks him into interfering in Dagmar's line dancing so she falls and sprains her foot. Deeply ashamed, Mini runs away and joins a gang of robbers.
